SPEAK TO THE NATION

Prayers, decrees & declarations for Britain

BILL McMURDO

Words have power. Words shift atmospheres and impact nations. Your words can turn this nation back to God and realign Britain with His purpose.

Your mouth can be the game-changer in the destiny of these islands.

In this powerful little booklet you will discover nation-transforming decrees, prayers and declarations that you can use to recalibrate Britain and bring us back to our prophetic destiny in the earth.

Use this book as a blueprint for the United Kingdom as it should be - and get copies to give to others!

100 YEAR OLD PROPHECY

Some years back I was given the transcript of a prophetic vision from 1920 which spoke of a coming move of God in Britain that would bring forth the Manchild Company and see the glory of God engulf our nation.

The catalyst for this awesome Awakening would be a small band of people in Scotland assembling for the purpose of going beyond the veil to pray from the heavenlies and decree God's will for Britain.

For various reasons that space does not permit me to share here, I believe that small band to be those involved in our *Arise, Scotland!!* meetings.

What is exciting about this 100 year old vision is that it is coming to pass precisely when we need it, at a time of deep crisis here in Britain and great tumult among the nations.

Now, more than ever, the saints of God need to move from being the church to the ekklesia. We need to transition from the dead church of Sardis - i.e. the post-Reformation age – to the glorious, living ekklesia of Philadelphia.

This Philadelphia ekklesia is the one that functions as a governmental assembly, working with the heavenly technology of the Key of David and having the limitless ability of God to bind and loose in the earth that human power and devilish wisdom cannot stand against.

From various prophetic sources, myself and my fellow ministers believe that this awesome end time Awakening that is coming will originate in Scotland and engulf the British Isles with God's glory before going to the nations.

In this little booklet I have compiled some prayers, decrees and declarations that you can use to call forth the purpose of God in and for this nation. By speaking forth these words you will not only align with the Throne of God and His will for Britain, you will also join the increasing chorus of others doing the same.

If one can chase a thousand and two can put ten thousand to flight, think of the exponential growth in power exercised by a growing body of fervent men and women of God decreeing and declaring the divine destiny of Britain!

God is looking for a people who will be part of the Corporate Overcoming Body in the earth today. This remnant will declare His will and purpose to and over the nations and be His true ekklesia in the earth.

GOD CHALLENGES THE DICTATORS

This was the powerful title of a remarkable book written by Rees Howells at the outset of World War Two.

The book detailed prophetic insight and revelation given to this awesome man of God concerning the outcome of the war and the consequences of an Allied victory.

Howells correctly prophesied the ultimate doom of the Nazi regime. He was shown by the Lord that the war was no mere human conflict between nations but a spiritual battle against principalities and powers.

What is astonishing about the book is that Rees Howells used it to pray and decree the purpose of God in the nations. *GOD CHALLENGES THE DICTATORS* was a prophetic blueprint to be uttered in prayer from heavenly realms. Rees Howells and his faithful band of consecrated intercessors in the Bible College of Wales used the book as a roadmap to the God-ordained future.

In this day we live in, it is not difficult to find parallels with the dangers faced by people back then. Although we don't have a dictator like Adolf Hitler threatening the integrity of our borders here in Britain, we do still have to deal with encroaching tyranny by so-called democratic governments, something that has become all too prevalent with the increasingly heavy-handed response to the recent Covid crisis.

"Britons never shall be slaves" is the well-known line from *Rule, Britannia*. The slavery we are in peril of today is far more insidious than that of previous generations, yet just as real and arguably more deadly. Today our lives of luxury and easy & affordable access to life-enhancing technology mean that people are far more likely to acquiesce to totalitarian governments rather than see their lifestyle of ease and leisure curtailed. That totalitarianism will not come suddenly but has been

creeping up on us for years. Privacy and liberty in the digital age is becoming more and more impossible to possess for most of us.

The greatest battle believers in Jesus face today is the conflict with antichrist governments.

In Psalm 2 we are told the nations are in tumult because kings and rulers are pursuing an anti-God and antichrist agenda. These national leaders are looking to throw off cords and restraints, which, when we read Psalm 149, we can see are imposed by God's people. The role of the ekklesia is to decree the will and purpose of God upon the nations and to their governments.

This function of the ekklesia is for every believer, not just apostles, prophets and pastors. As Psalm 149 says, this ruling of the nations can be done on your bed! In other words, discipling the nations is part of the everyday life for Christians.

These prayers, decrees and declarations will guide you in what exactly to say in this vital business of leading the nations for Jesus. When we consider the biblical principle of exponential power – one can chase a thousand and two can put ten thousand to flight – the more believers using the declarations in this book the better.

Your mouth is the game-changer in your nation. What you say determines the destiny of millions of people.

Speak the following decrees, declarations and prayers repeatedly:

Heavenly Father, let Your Name be hallowed in Britain

May Your Kingdom come and Your will be done in Britain as it is in heaven

May superabundant provision be ours in this land

And may we be free from debt and poverty

Let darkness and wickedness be far from us and deliver us from our enemies

Yours is the dominion, sovereignty and the glory in this nation

In Jesus Name, Amen

I declare that Jesus is Lord over these British isles.

Let there be godly order and righteous government in the land.

Let principalities and powers of darkness be bound out of these islands, in Jesus Holy Name.

Let every antichrist plot and conspiracy against Britain be confounded and come to nothing.

Let every part of these British isles be blessed and may the Light of God flood our land.

I decree that our governments shall bring peace to the people and our leaders shall rule in equity and justice.

Let wickedness be gone far from us and injustice depart.

Let people forsake their idols throughout the length and breadth of the land.

May the forces of division and globalism be rendered powerless and go into obscurity. Let all who oppose God's purpose for Britain either repent or be brought low.

I release peace and prosperity upon this nation.

Let the favour of God surround us as a shield.

As the righteousness of God in Christ, I bless our cities here in Britain.

Put Your Name upon this nation, Lord, we pray.

I decree that the sons and daughters of God be manifest here in Britain. Let God's governmental assembly come forth and reign in this land.

Let peace break forth and multiply all over this nation.

I decree that wells of revival spring up all over Britain.

Multitudes and nations are my destiny, in Jesus Name.

Everywhere I go, revival breaks out; people get saved, healed and delivered wherever I go.

I live beyond the sacred veil and decree God's purpose for Britain from the heavenly realm.

I am seated with Christ in heavenly places, releasing the blessings of God upon this nation and its people.

Let the hand of God be upon this nation.

God subdues the people under us as His ekklesia and places the nations under our feet.

I have direct access to the Lord Jesus Christ, the Ruler of the kings of the earth. I am His ambassador to my nation.

Let the people of Britain love wisdom and choose the fear of Yahweh.

May the Lord make His face shine upon Britain and drench us constantly in His favour.

Let the blessing of Yahweh our God be upon us and may He keep us in His mighty power.

May our people be forever united in the Gospel and with unbreakable cords of love.

Let the leaders of Britain be just and rule by the fear of the Lord.

Jesus Name be praised forever in this land!

Turn the heart of our monarch and other national leaders to do Your will, Father, in Jesus Name.

Let Britain be the inheritance of the Lord Jesus Christ.

I decree that those who lead my nation will reject the conspiracy of the kings and rulers of the earth against Yahweh and His anointed.

Britons never shall be slaves to Babylonian tyranny.

I declare that Britain is a disciple nation under the Lordship and protection of Jesus Christ.

Let every covenant with death and hell be broken in Britain.

Let forces of division, fear and hate be utterly routed in these British isles.

Let godly sorrow and repentance bring us to the Throne of the Lord.

Let healing flow and may the British people be set free from oppression and bondage.

I pray for the leaders of this nation that peace and godliness may be our portion.

Let our monarch rule in peace and equity and may the poor and needy be protected and lifted into prosperity by our government.

Let the fatherless be fathered by men of God in this nation.

Bring forth fathers and mothers to shepherd the people in this land, oh Lord.

Remove the Shebnas and bring forth Eliakims in the nation, Lord. Give us fathers and mothers to Britain.

Let the sons of God be manifest and make peace in this land.

May Britain be a holy nation unto the Lord.

Let the fear of Britain come upon the nations because we are Your people, Lord.

I declare Britain to be a nation that worships the true and Living God.

Jesus is the Ruler of Britain's governmental leaders.

The United Kingdom is the Lord's and He is the Governor of our nation.

Let all that opposes God's will for Britain be utterly confounded and come to nought.

Protect us from all enemies, Lord, foreign and domestic.

Let the mountain of the Lord's house be exalted in our nation.

Let the wealth of the nations come to Britain and the abundance of the sea be turned toward us.

A PROPHETIC WORD TO THE EKKLESIA OF GOD IN BRITAIN

You will arise in darkness to be the great light to which all men will come. The glory of your God will shine in you and upon you, bathing all nations in its power and beauty. Those who oppose you will bow before you, saying you are the true Zion of God.

The forces of the nations - resources, wealth and multitudes of people - will come to you. Those who are barren will have sons and daughters too numerous to count. The smallest among you will become a great nation.

You shall eat the riches of nations and kings will seek your wisdom as parched men in the desert seek water.

You will enter a wilderness and it will become like Eden by your very presence. You will cut the heads off kings and raise up the lowly to dwell in palaces. You will make edicts that will bless nations and bring peace and plenty to the people.

The Lord your God will be the light you walk in and the Mighty One of Jacob will be your shield and your reward. Men will traverse continents to sit at your feet.

Arise and shine, for His glory is now risen upon thee!

FLOODS ARE COMING

There is coming a flood to these lands. Holiness like living waters will pour down from the mountains and the stain of centuries will be washed away. No one will say "Know the Lord" for the least to the greatest shall know Him.

These floods will wash away the hatred and divisions that hold many in thrall. The song of these islands will be Amazing Grace and Holiness to the Lord will be on the lips of the peoples.

The fear of the Lord will come in ceaseless waves till Albion comes forth once more. Kings will rule in righteousness and the poor shall know their protection. Famine will be banished and the orphans will be brought into families.

The glory of the High King shall be seen in the land and His Lordship proclaimed. The Ancient Ones shall shine forth and their counsel greatly cherished. The land shall make Covenant with the people and the people shall make Covenant with the Most High.

There shall be nothing that defiles or brings a curse in all the land.
